Date Filed: October 14, 2005

The above case was filed electronically, and is accessible via the Court's Internet site at <http://www.nyeb.uscourts.gov>. In compliance with Federal Rule of Civil Procedure 11 and the court's General Order on Electronic Filing Procedures ("General Order #473"), the attorney's initials, the last four digits of the attorney's social security number and the password assigned to the attorney by the court shall constitute the attorney's signature on any document filed electronically. An original signed copy of all filings shall be maintained in the attorney's file in accordance with the General Order #473.

All parties with legal representation must file documents by one of the following methods:

1. INTERNET (Preferred Method): The requirements for filing, viewing and retrieving case documents over the Internet are: A personal computer running a standard Windows platform (Windows 98/Me/NT/2000/XP); an Internet provider using Point to Point Protocol (PPP) for dial-up service, or offering DSL or cable service; Netscape Navigator software version 4.7x or higher or Microsoft Internet Explorer version 5.5 or higher; and software to convert documents from a word processing format (e.g., Corel WordPerfect or Microsoft Word) to portable document format (PDF). (If the word processing software you use does not contain a built-in conversion utility, you will need Adobe Acrobat, version 4.01 or higher, to perform the conversion.) The URL address is www.nyeb.uscourts.gov. A password is needed to file documents into this system. Please contact the Court to obtain a password. In addition, a Pacer login is needed to view or print documents from this system. A Pacer login can be obtained by calling the Pacer Service Center at 1-800-676-6856 or by visiting their website at <http://pacer.psc.uscourts.gov>.

2. DISKETTE, PDF FORMAT: If you are not equipped or have not registered to file over the Internet, you must submit your documents on a diskette, in PDF format. Adobe Acrobat software will provide you with the ability to create documents in PDF format; additionally, word processing programs such as Corel WordPerfect and Microsoft Word include a built-in conversion utility. Use a separate diskette for each filing. Submit the diskette in an envelope with the case name, case number, type and title of the document, and the file name on the diskette.

Important Note: All proofs of claim are to be filed in paper form.

Adversary Proceedings filed relative to cases assigned to the ECF system will also be assigned to the system. Documents filed in such proceedings MUST comply with the foregoing electronic filing requirements.

Parties without legal representation may file documents in paper form, in accordance with procedures set forth in the court's Local Rules.
